MEDICAL RESEARCH GRANT CRITERIA

The following general guidelines apply to Applicants for Medical Research Grants:

- Grants can only be made to Applicants affiliated with 501(c)(3) tax-exempt institutions.
- Principal Applicants must hold post-doctoral positions or beyond. Co-Principal Applicants are acceptable. Post-doctoral Applicants must include their mentor as a Co-Principal Applicant.
- Proposed projects must have specific relevance to cancer, and show promise for contributing to the scientific or clinical advancement in this field of study.
- Awards may not be contributed to a unified or pooled fund that will be used to award grants or support other projects.
- Grants are awarded on the basis of the content of the proposed research, as well as the qualifications of the named Principal Applicant (PA) and sponsoring institution. If the PA terminates his/her affiliation with the institution identified in the grant award, and wishes to continue the project at another qualified sponsoring institution, the PA must notify Marisa's Mission in writing. Marisa's Mission reserves the right to require resubmission of the grant with the appropriate changes in staff and/or venue, and Marisa's Mission reserves the right to reject such change.
- If the PA wishes to discontinue the project prior to completion, he/she must notify Marisa's Mission in writing within sixty days of termination of work on the project. The original institution identified in the grant award shall have the opportunity to identify another PA within sixty days of notification. Marisa's Mission reserves the right to require resubmission of the grant with the appropriate changes in staff and Marisa's Mission reserves the right to reject such a change. If the original institution does not wish to continue the project, the remaining funds from the grant award as of the date of termination of work on the project must be returned to Marisa's Mission.

Grant funds from Marisa's Mission may NOT be used for the following:

- Overhead or indirect costs. *Exception:* if an institution has a strict, written policy which does not allow researchers to apply to granting organizations that do not pay indirect costs, and if there have been no exceptions to that policy, Marisa's Mission may choose to negotiate a minimal rate. The policy must be provided for review and Marisa's Mission reserves the right to refuse the Application if it is not satisfied with the overhead or indirect cost policy.
- General institutional expenses.
- General fundraising campaign expenses such as dinners and mass mailings.
- Salaries in excess of the NIH salary cap. Please refer to this link for periodic changes to the salary cap. http://grants.nih.gov/grants/policy/salcap_summary.htm
- Religious, political, or other research that does not fall within Marisa's Mission's areas of interest.
- Maximum grant amount of \$10,000 per Applicant
